Place	Date
Signature of authorised company signatory	Name in block letters

Information about the application

An application shall only be sent to Swedish Customs if the company does not already have an authorised administrator. The authorised administrator can add or remove users (authorised administrators included therein) and their access to services.

¹ The authorised administrator can:

- allocate, monitor and withdraw the access rights of registered users,
- submit electronic service applications for the company,
- add or remove a user or an authorised administrator.
